CLICK + COLLECT ASSETS FOR PURCHASE

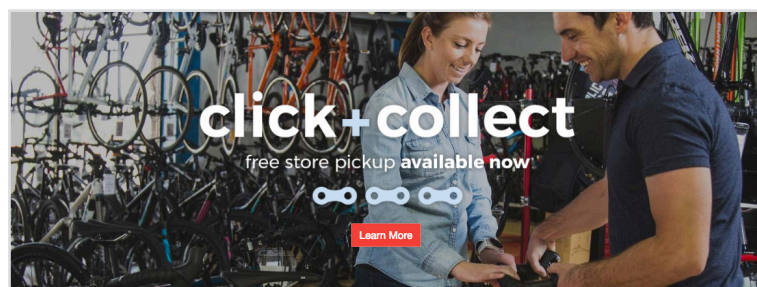

Ready to take Click + Collect to the next level? This content package provides you with everything you need to launch an effective digital campaign. The centerpiece is a landing page designed to inform your customers about the process as well as grab local search traffic for those looking for “same day pickup” or “free store pickup” in your area. An email and social graphic are provided, including copy, that can be linked to the landing page. To top this off, we’ve included a homepage hero block to call attention to your site visitors and bring them to the landing page as well. All of this works together to help you grab local sales, online. Pair this package with your table tents and window cling to create a relevant, reinforced marketing strategy.
