

PERFORM BETTER IN LOCAL SEARCH RESULTS

Reach new customers by improving your placement in organic search results. We can help shoppers in your community find your website and drive quality traffic to your store by adding key product and service information to your Google My Business listings and to your website.

GOOGLE MY BUSINESS SETUP

\$100 + \$50 PER ADDITIONAL LOCATION

We will claim your business' Google listing on your behalf and set it up to meet the best practice guidelines. This ensures your profile will display accurate information about your business in search and map results.

LOCATION PAGE OPTIMIZATION

\$300 + \$100 PER ADDITIONAL LOCATION

We will optimize the location page(s) on your website with content designed to improve the conversion rate. Your location page is often the first impression a potential customer has of your business; this content will make it easy for visitors to find information on products, services, and more.

LOCAL RIDE GUIDE

\$600

We will create a guide for cyclists looking for places to ride in your community. This landing page will establish your business as the go-to source for local cycling information and increase your visibility in search results.
